

Hosted Zimbra Email Collaboration Suite

LABUSA.com | 1-866-572-4867

What is Zimbra?

Zimbra Email Collaboration Suite is the next-generation enterprise messaging and collaboration. Zimbra delivers innovation for the administrator and the end-user as well as compatibility with existing infrastructure and applications (both open source and proprietary). The Zimbra ZCS Network Edition provides feature rich email, contacts, and group calendaring. Zimbra is the Microsoft Exchange replacement, offering more functionality, less maintenance and overhead, and it cost less.

Zimbra Features – End-User Benefits

Freedom of Choice

- Support of Windows, Apple and Linux computers
- Browser - Zimbra Ajax client
- PC Client - Outlook (Online, Offline, Cached Mode), Apple Mail and iCal, Eudora, Evolution, Thunderbird/Sunbird, RSS, etc.
